### Medi-Cal Health Care Options In San Diego County

This material is being provided to help you better understand your choices. It is not an endorsement of any specific Medi-Cal Health Plan.

### Welcome to Medi-Cal Managed Care

Your Medi-Cal benefits can now be provided by a Medi-Cal Health Plan. A Medi-Cal Health Plan gives you access to a network of doctors, clinics, specialists, pharmacies and hospitals.

### **How Does Managed Care Work?**

Each Medi-Cal Health Plan has a list of primary care providers you can choose from. If you have a doctor now, you will need to find out if that doctor belongs to a Medi-Cal Health Plan. Your primary care provider will be responsible for managing your overall health care needs and referring you to other doctors if needed.

### Who Can Join a Medi-Cal Health Plan?

### Choosing a Medi-Cal Health Plan

If you already have a doctor, check the provider directory to see if he/she works with a Medi-Cal Health Plan. Then ask these questions when you compare the health plans:

- Can I keep the same doctor if I already have one?
- Will it be easy to get to the doctor?

The answers to these questions can help you decide which Medi-Cal Health Plan is best for you. If you do not find the answers, you can call the health plan member services hotline to get the information you need.
